

The Gallup Poll Tuesday Briefing is a monthly collection of the best Gallup Poll data and analysis. Frank Newport, editor in chief of The Gallup Poll, and his team provide 100+ pages/month of in-depth analysis, charts, trends, and data. It puts intelligence on public policy, politics, the economy, lifestyle, healthcare, and other important issues at your fingertips.

Historically, Gallup has measured and tracked the public's attitudes concerning virtually every political, social, and economic issue of the day, including highly sensitive or controversial subjects. The Gallup Poll Tuesday Briefing delivers you the analysis and data that connect you to the world in a special and meaningful way. It provides true perspectives and clarity around what citizens throughout the world believe.

Connecting you to the world
